Mainstream's 25th Celebration and Reunion

Mainstream celebrated their 25th Anniversary at Club Roma on September 24th. Mainstream, an organization that provides support to adults with a developmental disability, started out as a small organization that supported less than ten people and has grown to support over 200 people across the Niagara Region. That journey and its many accomplishments was cause for celebration. Both current and past people using services and staff came out to reminisce about old times and look ahead to the future. For more information about Mainstream and its services, visit www.mainstreamservices.com

Mainstream's Executive Director Kevin and Board President Alan celebrated the organization's 25 years of success with Jim Bradley
